b. All game bats shall be set in front of the dugout and inspected by umpires prior to the start of the game.

The bat will be removed from the game; however, it is not grounds for ejection.

2. If the bat is found to be illegal following the next legal pitch to any batter after the ball is put in play by such bat, the bat is removed from the game with no penalty.

3. If a bat is to be found illegal and the ball has not been put in play by that batter, the bat is removed from the game with no penalty.

d. Second offense for using an illegal bat:

1. If a team is found in violation of this rule a second time, then the head coach will be ejected in addition to the First Offense penalty.

## **2. Starting and Ending a Game**

### 2.0 - Home Team

a. Home team is predetermined according to the league schedule. The designated Away Team shall bat first to start the inning.

### 2.1 - Regulation Game

a. A regulation game consists of seven innings for all age divisions, unless the time limit has been reached (Rule 2.02) or a mercy run rule is obtained (Rule 2.03).

## **2.2 - Time Limit**

a. For time limit purposes, the end of an inning consists of when the last out is made at the bottom of the inning.

b. Time limit for 3<sup>rd</sup> -4<sup>th</sup> grade is 1 hour and 20 minutes. It is up to the ump to decide if a new inning shall be played due to the time. If the home team is losing then they will get to bat last. If we have lost daylight and the home team did not get to bat last then we will have to finish that inning the next game day in between games or the next time those two teams play. Please be considerate and understanding that the ref is just trying to allow the kids as much playing time as they can. There is no way to know how long an inning will last. The ump will keep notes on the outs, players on bases, and score. Coaches and umpires are responsible to keep the same batting order. Please be honest and fair.

c. Once the time limit is reached:

1. The inning will be completed.
2. If the home team is leading and currently batting, the game is over.
3. If the inning ends in a tie, the game is over and ends in a tie game.

d. If at the end of a regulation game (7 Innings) the score is tied and there is time remaining on the clock, then extra innings may follow. If the game is still tied at the end of an extra inning and the time limit has expired, the game is over and ends in a tie.

## **2.3 - Run Rules**

a. A run rule of 8 runs per inning will be enforced for each inning till the top of the 5<sup>th</sup> inning or the 45 minute mark.

## **2.4 - Mercy Rule**

**This is up to the ump and coaches to decide if they want to enforce due to the game getting out of hand.**

a. An imposed Mercy (Run) Rule shall be used to complete a regulation game when one team's margin of lead is greater than or equal to the prescribed limit. The home team shall not bat if they are winning, and the mercy requirement is met prior to the bottom half of the inning. Similarly, if the home team is batting and meets the mercy requirement in the bottom half of the inning the home team shall cease batting and the game shall end.

b. Mercy (Run) Rules are as follows:

1. Run differential of 12 runs after the 3<sup>rd</sup> inning
2. Run differential of 10 runs after the 4<sup>th</sup> inning
3. Run differential of 8 runs after the 5<sup>th</sup> inning

## **2.5 - Lineups**

- a. When submitting a lineup card to the opposing team, coaches must use the player's last name and uniform number. No two players may have the same number.
- b. Teams may play an official game with an eight-player lineup. If a team plays with an eight-player lineup, no out shall be declared for the ninth position in the batting lineup each turn at bat. A ninth player and all subsequent players may be added to the bottom of the batting lineup as soon as they become available. The only players that are eligible to be added to the lineup must be in uniform. No coach may pick up a player from another team or in attendance that is not in the team's uniform. All players added to the game must also be on that team's roster.
- c. If a team drops to only seven eligible players, then that team must forfeit.
- d. Teams must use a continuous lineup (Round Robin), and all players may move freely in defensive positions within the continuous lineup scenario. Players under the traditional lineup of 9 players will be allowed to re-enter their starting position 1 time per game.
- e. If a player must leave the lineup for any reason except for an injury/illness, that position in the lineup will be called an out. Once skipped, that player will not be able to return to the game.
- f. If a player is ejected from the game, then their position in the lineup will be declared an out each time it comes up.
- g. If a player leaves the lineup due to illness or injury and is not able to bat when their turn comes up in the order, the coach is allowed to skip the at-bat, and it will not count as an out against the team. However, the player is not allowed to return for the remainder of the game.
- h. Players will bat the lineup until 3 outs have been made regardless of the number of times the lineup has been batted through.
- i. A player who shows up after the start of the game must be listed as the last player in the batting order. If the player is not there by their turn at bat, they will be skipped with no penalty unless playing with 8 batters and an out occurs. When the player shows up, they may bat their turn in the lineup.
- j. If a player bats out of order and the offense is caught while the player is still at bat and prior to a play being made, the lineup shall be corrected, and play will continue without penalty. Once a play has been made (base hit, walk, out, etc.) this rule will be null and void and play will continue without penalty. It is the duty of the coaches & scorekeepers to ensure that the

correct players are at bat to avoid issues. The umpire shall enforce the rules but will not be responsible for monitoring lineups.

## **2.6 - Game Cancellations Due to Weather**

a. If a game is called due to weather (rain, lighting, etc.), light failure or other acts of God and cannot be resumed, it is a regulation game if 4-innings have been completed or 3 and half innings have been completed and the home team is leading.

b. The Cloud-9 will oversee alerting teams in the events of cancellations or rescheduled due to the weather. This will be done through weather line updates, email, texts, or phone calls to coaches, and updated on the league website.

c. Rescheduling of the game shall follow the guidelines set below:

A game that cannot be declared a regulation game, shall be declared a rain-out game. Coaches will be contacted by Cloud-9 to reschedule the game for a later date. Games that are cancelled due to weather are to be handled as follows:

1. Cloud-9 will post on their website [cloud-9bethaltosportsleague.com](http://cloud-9bethaltosportsleague.com) by 4 pm.

d. HEAT DELAY/CANCELATION: Game cancellations/alterations will be based on the following:

1. A game time heat index of 100 degrees Fahrenheit or higher will result in postponement.

2. A game time heat index of 98 degrees Fahrenheit will result in shortened games. Baseball/Softball: shortened to 1 hour with no new inning beginning after 50 minutes.

3. A game time heat index of 97 degrees Fahrenheit or lower will result in full length games.

## **2.7 - Game Cancellations (Other than Weather)**

a. If a coach needs to cancel a game for any reason outside of weather, they will need to contact Cloud-9 scheduler/field manager and opposing coach outside of 48 hours of the date of the game to be canceled.

b. Rescheduling of the game shall follow the guidelines set below:

Any team reporting a cancellation inside of 48 hours due to any reason other than weather shall be subject to forfeiture if the opposing team is not willing to reschedule.

## **2.8 - Rescheduling**

- a. In the event of a reschedule, both teams will be contacted by Cloud-9 to work out a mutually agreed upon reschedule date.
- b. All coaches are required to have a working email. Please “Reply All” when responding to emails so that everyone can see responses.
- c. Both coaches will be given 1 week from the date of the cancellation to work out a reschedule date and contact Cloud-9 via email/phone with the agreed upon date(s) to confirm availability.
- d. Once confirmed, the rescheduled date shall be updated via the online schedule.
- e. If coaches are unable to agree on a reschedule date within the 1-week requirement, then the game will be rescheduled for the first date that both teams are available per the online schedule.
- f. If one coach responds and the other doesn’t within the 1-week requirement, the original game will be declared a forfeit for the non-responding coach with the win going to the responding coach. NOTE: A great deal of time goes into prepping fields, scheduling concession stand workers, scheduling umpires, etc. Cloud-9 will not waste money on these activities in lieu of a non-responsive coach by assuming you will show up to a rescheduled game that you haven’t responded to. Please work with us to ensure that everyone has a positive experience.
- g. Any team failing to show up for a rescheduled game shall be declared as a forfeit and a win awarded to the other team in attendance.

## **2.9 - Coaches**

- a. The maximum number of coaches allowed per team is 3.
- b. All coaches and managers need to be listed on the coach’s roster as a coach or manager. Only coaches that are listed on the team roster are eligible to coach in the dugout. The only exception to this is in the absence of a coach, an adult (age 15 or older) may help assist in their place. A max of 3 coaches will still be always in effect.
- c. In the case of a coach’s ejection, you may not bring in a substitute coach and/or parent to assist for the remainder of the game.
- d. The purpose of these rules is to eliminate anyone other than coaches and players being on the playing field or in the dugout. This assists the umpires in determining who should or should not

be on the field.

c. If the last batted out is the pitcher or catcher, the courtesy runner shall be the previous batted out to said pitcher and/or catcher.

d. Any one courtesy runner may only be used one time per inning. If a player must run a second time in one inning, the previous batted out prior to them shall be the courtesy runner.

- f. A pitcher shall have up to 15 seconds to deliver a pitch upon receipt of the ball. Umpires shall use their best judgement in determining this and will time if necessary. The purpose of this rule is to avoid purposeful delays of game.
